

MODEL: TE-XD03-R300S

LED Ceiling Light Series

RoHS

NO UV/IR

Description

The motion sensor ceiling light adopts high lumen SMD LED, fire-rated PC light housing and diffuser with even light output. High PF LED driver with Triacdimmmable function, 120° wide beam angle. It has super slim lamp body in 40mm thickness, which is simple and elegant mounted in the ceiling. Use the pre-set switch to set color temperature before installation. Energy efficient, Eco friendly, Easy to install.

The IP54 Protection rating also makes it suitable for a broad range of applications, Including corridors, stairwells and toilet facilities, etc.

Specification Features

- Input Voltage: AC200-240V 50/60Hz
- System Wattage: 25W
- LED brand: 2835 SMD LED
- CCT: 3000K-4000K-6000K
- CRI: ≥80
- FLUX: 2100-2500lm
- Lamp efficiency: ≥85lm/W
- Beam angle (°): 120°
- Materials: Aluminum base + milky PC cover
- IP Rating: IP54
- Finish color: White /Silver/Black
